PREFACE .....	7
1 INTRODUCTION .....	25
1.1 What is maritime law? .....	25
1.2 The unique characteristics of maritime law .....	25
1.3 The topics to be examined .....	26
1.4 Sources of law .....	28
1.4.1 The Maritime Code and other legislation .....	28
1.4.2 Interpretation of statutes. ....	30
1.4.3 Contracts and their interpretation. ....	32
1.4.4 Case law, including arbitration awards .....	35
1.4.5 Legal literature .....	36
1.4.6 Conventions .....	37
1.5 Jurisdiction and choice of law .....	38
1.5.1 Court jurisdiction and rules dealing with forum .....	39
1.5.2 Jurisdiction agreements .....	40
1.5.3 Choice of law .....	41
1.5.4 Arbitration .....	43
1.5.5 Satisfaction of judgments and arbitration awards – enforcement. ....	45
1.5.6 Arrest of ships and cargo .....	46
2 SHIPS, NATIONALITY AND REGISTRATION .....	50
2.1 Ships – definition .....	50
2.1.1 Characteristic features .....	50
2.1.2 When does a construction become a ship and when does this status cease? .....	52
2.1.3 Appurtenances of a ship .....	53
2.1.4 Identification of ships. ....	54
2.2 Nationality and registration .....	55
2.2.1 The significance of nationality. ....	56
2.2.2 When is a ship considered Norwegian? The rules under international law. ....	57
2.2.3 The Norwegian International Register (NIS). ....	61
2.2.4 The two purposes of registration .....	63

2.2.5	Conditions for registration in the ordinary Norwegian ships' register (NOR) . . . . .	65
2.2.6	Conditions for registration in the NIS . . . . .	67
2.2.7	Particular implications of registration in the NIS . . . . .	69
2.2.8	Structure of the registers, registration procedures and legal protection associated with registration. . . . .	71
2.2.9	Registration of ships under construction . . . . .	78
3	<b>SHIP SAFETY AND CLASSIFICATION . . . . .</b>	<b>81</b>
3.1	The Ship Safety and Security Act. . . . .	81
3.1.1	The Seaworthiness Act of 1903 and the need for reform. . . . .	81
3.1.2	Ship Safety and Security Act – goals and principles . . . . .	84
3.1.3	The Scope of application of the Ship Safety and Security Act . . . . .	85
3.1.4	Responsible party. . . . .	86
3.1.5	Safety Management System, ISM Code . . . . .	87
3.1.6	The requirements applicable to the individual ship – some examples. . . . .	87
3.1.7	The exercise of public supervision/control . . . . .	90
3.1.8	Monitoring foreign ships. International cooperation . . . . .	91
3.2	Classification . . . . .	92
4	<b>SHIPBUILDING AND REPAIR CONTRACTS . . . . .</b>	<b>97</b>
4.1	Shipbuilding – legal background . . . . .	98
4.2	The shipbuilding contract. . . . .	98
4.2.1	Negotiations and contracting . . . . .	98
4.2.2	Description of the ship (art. II). . . . .	100
4.2.3	Change orders . . . . .	103
4.2.4	The building phase: Approval of plans; supervision and tests; risk allocation. . . . .	104
4.2.5	Tests and trials . . . . .	105
4.2.6	Delivery date and delivery . . . . .	107
4.2.7	Price and payment terms . . . . .	109
4.2.8	Builder's default. . . . .	111
4.2.9	Additional comments regarding registration, financing and insurance . . . . .	116
4.3	Repair of ships – generally. . . . .	118
4.4	The main features of the repair contract of 1985, revised 1997. . . . .	119
4.4.1	The scope and quality of work. . . . .	119
4.4.2	Delivery time . . . . .	120
4.4.3	Price and manner of payment. . . . .	120
4.4.4	Sanctions available for breach of contract . . . . .	121
4.4.5	Other damages . . . . .	122

---

5	PURCHASE AND SALE OF SHIPS . . . . .	124
5.1	Introduction . . . . .	124
5.2	The basic problem: What is purchased? Description and inspection . . . . .	125
5.2.1	The buyer's need to inspect the ship . . . . .	125
5.2.2	Inspection after the contract is signed . . . . .	126
5.2.3	"Outright sale" . . . . .	128
5.3	Description of the ship . . . . .	128
5.4	What is included in the sale . . . . .	132
5.5	Place and time of delivery: "closing" . . . . .	133
5.6	Price and method of payment . . . . .	134
5.7	Default . . . . .	135
5.8	Disputes – Jurisdiction and choice of law . . . . .	135
5.9	Sale of ships for demolition . . . . .	136
6	MORTGAGES, ENFORCEMENT LIENS, MARITIME LIENS AND RIGHTS OF RETENTION . . . . .	138
6.1	Introduction: The vessel as security for claims . . . . .	138
6.2	Maritime liens – General description and historical background . . . . .	139
6.3	What claims are secured by a maritime lien and what are the priorities? . . . .	141
6.3.1	Claims secured . . . . .	141
6.3.2	Priority of maritime liens . . . . .	145
6.3.3	Foreign maritime lien claims . . . . .	146
6.4	Maintenance of maritime liens. Limitation period . . . . .	146
6.5	Ship mortgages . . . . .	149
6.5.1	The mortgagee's position – Particular risks . . . . .	149
6.5.2	The scope of mortgage rights . . . . .	150
6.5.3	The mortgagee's legal protection as against third parties . . . . .	152
6.5.4	Mortgaging a vessel share . . . . .	153
6.5.5	Additional comments on mortgages of ships under construction . . . . .	153
6.6	Enforcement liens . . . . .	154
6.7	Foreclosure . . . . .	155
6.7.1	Introduction . . . . .	155
6.7.2	Grounds for enforcement . . . . .	155
6.7.3	Default . . . . .	156
6.7.4	Forced sale . . . . .	156
6.7.5	Forced use . . . . .	159
6.7.6	Enforcement on the basis of foreign rights. Auction abroad . . . . .	160
6.8	The right of retention (possessory lien) . . . . .	161
7	WAYS OF STRUCTURING SHIPOWNING ENTITIES . . . . .	164
7.1	"Shipowner" and "shipowning company" – Definition . . . . .	164
7.1.1	A preliminary note on Norwegian terminology . . . . .	164

7.1.2	Everyday usage . . . . .	165
7.1.3	The legal significance of the terms . . . . .	165
7.1.4	Summary . . . . .	168
7.2	Forms of organisation employed in ship ownership and operation . . . . .	169
7.2.1	Registration of companies . . . . .	169
7.2.2	Sole proprietorships . . . . .	169
7.2.3	Part-owners/partnerships/joint ownership . . . . .	170
7.2.4	Limited partnerships . . . . .	173
7.2.5	Limited liability companies or corporations . . . . .	176
7.2.6	Transfer of the shipowner's functions . . . . .	177
7.2.7	The international perspective . . . . .	177
7.3	Pool agreements and joint ventures . . . . .	179
7.4	Management agreements . . . . .	180
7.5	Other intermediaries and assistants . . . . .	182
7.5.1	Agents . . . . .	182
7.5.2	Stevedores . . . . .	183
7.5.3	Pilots and tugboats . . . . .	183
7.5.4	Suppliers . . . . .	184
7.5.5	Shipyards and travelling squads . . . . .	184
7.5.6	Brokers . . . . .	184
7.5.7	Freight forwarders and liner agents . . . . .	185
8	LIABILITY . . . . .	188
8.1	Types of damage and causation . . . . .	188
8.2	Ordinary principles of liability . . . . .	189
8.2.1	Introduction . . . . .	189
8.2.2	The tortfeasor's liability for negligence . . . . .	190
8.2.3	The shipowner's vicarious liability . . . . .	191
8.2.4	Strict liability . . . . .	192
8.2.5	Claims for personal injury . . . . .	193
8.2.6	Liability arising out of contract . . . . .	194
8.2.7	Limitation of liability. Indexing . . . . .	197
8.3	The scope of the shipowner's vicarious liability (with particular focus on torts) . . . . .	198
8.3.1	Introduction . . . . .	199
8.3.2	The legal relationship between shipowner and assistant . . . . .	200
8.3.3	The nature of the service provided . . . . .	202
8.3.4	Categories of assistants . . . . .	206
8.4	Scope of the shipowner's contractual liability . . . . .	207
8.5	Limitation of actions – An overview . . . . .	208

9	LIMITATION OF SHIPOWNERS' LIABILITY	212
9.1	Background	212
9.2	When do the rules in MC Chapter 9 apply?	214
9.2.1	Who can invoke the rules?	214
9.2.2	What counts as a ship in this context?	216
9.3	The scope of limitation	216
9.3.1	In general	216
9.3.2	The individual claims	217
9.3.3	"Privity"	219
9.3.4	The principle of single liability	221
9.4	How liability is limited in practice	222
9.4.1	The principles	222
9.4.2	Limitation funds – Guidelines	223
9.4.3	The limitation fund – Special rules	224
9.4.4	One or more incidents?	225
9.4.5	An example, cf. MC § 175	226
9.4.6	Claims by the owner against the limitation fund	226
9.5	Procedural rules. Effect of the establishment of a fund	227
9.5.1	Limitation without establishment of a fund	227
9.5.2	Establishment of a limitation fund	228
9.6	Other limitation rules	229
9.6.1	Contracts of affreightment	229
9.6.2	Oil pollution	229
9.6.3	Dangerous cargoes – HNS	230
10	OIL POLLUTION LIABILITY, HNS LIABILITY AND OTHER ENVIRONMENTAL LIABILITY	231
10.1	Introduction	231
10.2	The international rules on liability for oil pollution: Background and development	233
10.3	Overview of the Norwegian rules on liability for oil pollution	235
10.4	Convention-based liability for tankers	238
10.4.1	Scope of application	238
10.4.2	Strict liability	239
10.4.3	Responsible party. Channelling of liability	240
10.4.4	Limitation of liability. Limitation fund	242
10.4.5	Compulsory insurance	243
10.4.6	The international compensation fund 1992 and the international supplementary fund 2003	244
10.4.7	Limitation of actions	245
10.5	Convention-based liability for bunker oil pollution damage	245
10.5.1	Introduction	245

10.5.2	Scope of application . . . . .	246
10.5.3	Strict liability . . . . .	247
10.5.4	The responsible party. Channelling of liability . . . . .	247
10.5.5	Limitation of liability . . . . .	249
10.5.6	Insurance obligation . . . . .	250
10.6	Other provisions concerning liability for oil pollution . . . . .	251
10.6.1	Non-convention-based liability for oil pollution . . . . .	251
10.6.2	Liability for oil pollution damage subject to global limitation . . . . .	253
10.6.3	Liability for oil pollution pursuant to the Petroleum Act. . . . .	254
10.7	HNS liability . . . . .	255
10.7.1	The national and international regulations . . . . .	255
10.7.2	Scope . . . . .	256
10.7.3	Strict liability. Exceptions to liability . . . . .	257
10.7.4	Responsible person. Channelling of liability . . . . .	258
10.7.5	Limitation of liability. Limitation fund . . . . .	259
10.7.6	Obligation to insure . . . . .	260
10.7.7	The HNS fund . . . . .	261
10.8	Other environmental liability . . . . .	262
10.9	Responsibility for wreck removal . . . . .	263
11	LIABILITY FOR COLLISIONS . . . . .	268
11.1	Introduction . . . . .	268
11.2	The central rules on liability . . . . .	270
11.2.1	When only one ship is at fault . . . . .	270
11.2.2	When both are to blame . . . . .	270
11.2.3	Accidental collisions . . . . .	271
11.2.4	Collisions between three or more ships . . . . .	271
11.2.5	Liability for acts based on necessity . . . . .	272
11.2.6	Cross or single liability? . . . . .	273
11.3	Liability for cargo claims . . . . .	274
11.3.1	The Maritime Code . . . . .	274
11.3.2	American law . . . . .	274
11.4	Liability for personal injury . . . . .	276
11.5	The evaluation of fault . . . . .	277
11.5.1	Introduction . . . . .	277
11.5.2	The Rules of the Road . . . . .	278
11.6	The measure of damages . . . . .	281
11.7	Prescription, maritime liens and insurance cover . . . . .	282
11.8	Collisions with other structures . . . . .	283

---

12 THE LEGAL POSITION OF THE CREW . . . . .	286
12.1 Introduction . . . . .	286
12.2 The scope of the Ship Labour Act. Mandatory provisions. . . . .	289
12.3 The relationship between the parties and allocation of responsibility . . . . .	291
12.4 Appointment, work tasks, salary etc. . . . .	293
12.4.1 Appointment. . . . .	293
12.4.2 Work tasks and qualifications. The ship's master . . . . .	295
12.4.3 Salary and other benefits . . . . .	296
12.5 Working environment and personal safety . . . . .	297
12.6 Termination of employment relationships . . . . .	299
12.6.1 General rules . . . . .	299
12.6.2 Unfair dismissal . . . . .	299
12.6.3 Summary dismissal and suspension. . . . .	304
12.6.4 Disputes concerning employment . . . . .	306
12.7 Right to leave of absence . . . . .	307
12.8 Duties relating to care. The service on the ship. Protection against discrimination. . . . .	309
12.9 Special rules for employees on NIS-registered ships. . . . .	312
13 CONTRACTS OF AFFREIGHTMENT – AN OVERVIEW . . . . .	314
13.1 Ways of employing a ship in trade . . . . .	314
13.1.1 The two extremes. . . . .	314
13.1.2 The liner trade . . . . .	314
13.1.3 Chartering. . . . .	315
13.1.4 A wide-ranging transfer of functions: Leasing . . . . .	316
13.1.5 Options to purchase . . . . .	316
13.2 Contracts of affreightment . . . . .	316
13.2.1 The term . . . . .	316
13.2.2 Bills of lading and sea waybills . . . . .	319
13.2.3 Voyage charters . . . . .	321
13.2.4 Time charter party . . . . .	322
13.2.5 Bareboat charter party . . . . .	323
13.2.6 Tramp bills of lading . . . . .	323
13.3 The parties to a contract of affreightment . . . . .	324
13.4 The use of the forms of contract in practice. . . . .	324
13.5 Sources of law . . . . .	326

14	BILLS OF LADING AND WAYBILLS: LIABILITY FOR DAMAGE, LOSS AND DELAY; INCORRECT DESCRIPTION OF GOODS.....	329
14.1	Introduction .....	330
14.1.1	The liability of the carrier .....	330
14.1.2	The underlying sale and the bill of lading .....	332
14.1.3	Procedure for delivery of the goods to the carrier .....	337
14.1.4	A summary of the functions of the bill of lading.....	338
14.1.5	Alternatives to bills of lading.....	339
14.2	The liability of the carrier: background and content .....	339
14.2.1	Introduction .....	339
14.2.2	Freedom of contract abused?.....	340
14.2.3	The Hague-Visby Rules .....	340
14.2.4	Hamburg Rules 1978 .....	341
14.2.5	Scandinavian solutions.....	343
14.2.6	The future perspective .....	344
14.3	The main rules relating to carrier liability for damage and delay under the Maritime Code 1994.....	345
14.3.1	Claimant and defendant – the different interests. An outline.....	345
14.3.2	Overview of conditions for liability pursuant to MC § 275 (13:25) – Damage to or loss of goods .....	346
14.3.3	The basic rule regarding the basis of liability .....	347
14.3.4	Vicarious liability.....	352
14.3.5	Exemption from liability for navigational errors under MC § 276 (13:26) first paragraph no. 1.....	353
14.3.6	Exemption from liability in case of fire, MC § 276 (13:26) first paragraph no. 2 .....	356
14.3.7	Unseaworthiness and the exemptions in § 276 (13:26) .....	357
14.3.8	The Hague-Visby Catalogue – Letters c to p.....	361
14.3.9	Fault by the injured party. Concurrent causes .....	361
14.3.10	Deck cargo and live animals .....	362
14.3.11	Dangerous cargo .....	364
14.3.12	The special rules applicable to Norwegian domestic trade .....	369
14.4	The scope of liability .....	372
14.4.1	Introduction .....	372
14.4.2	Standardised loss rule in MC § 279 (13:29) .....	373
14.4.3	The unit limitation rules.....	374
14.4.4	Limitation rules in Norwegian domestic trade.....	376
14.5	A note on burden of proof, notice and time bars .....	377
14.6	Liability for delay .....	378
14.6.1	The ordinary rules .....	378
14.6.2	Delay in Norwegian domestic trade.....	379
14.7	Deviation .....	380

---

14.8	Risk allocation and insurance . . . . .	382
14.9	Can the liability rules in MC §§ 274 (13:24) et seq. be avoided by contract or otherwise? . . . . .	383
14.9.1	Introduction . . . . .	383
14.9.2	The scope of application for MC Chapter 13 pursuant to MC § 252 (13:2). . . . .	384
14.9.3	To what extent are the Norwegian rules mandatory? . . . . .	389
14.10	Description of the goods in the bill of lading. Consequences of misdescription . . . . .	397
14.10.1	The problem . . . . .	397
14.10.2	The information to be included in the bill of lading . . . . .	397
14.10.3	Carrier's duty to see to it that the information in the bill of lading is correct – Duty to investigate and make reservations pursuant to MC § 298 (13:48) . . . . .	402
14.10.4	Carrier's liability for information in the bill of lading . . . . .	405
14.10.5	Shipper's liability to carrier . . . . .	410
14.10.6	Shipper's need for a "clean" bill of lading – "Back letters" . . . . .	411
14.10.7	Are the rules on the content of bills of lading and liability for incorrect description mandatory? . . . . .	411
14.11	Delivery and liability for wrongful delivery . . . . .	412
14.11.1	Duties of cargo interests . . . . .	412
14.11.2	Liability for wrongful delivery . . . . .	412
14.12	Sea waybills . . . . .	414
14.12.1	Introduction . . . . .	414
14.12.2	What is a waybill? . . . . .	414
14.12.3	What are the consequences of issuing a sea waybill? . . . . .	416
14.12.4	When are sea waybills issued and whom are they issued to? . . . . .	419
14.12.5	If the requirements for a sea waybill are not satisfied . . . . .	419
14.12.6	So-called "document-free carriage" . . . . .	419
14.13	Waybills used in coastal carriage . . . . .	420
14.14	Questions relating to freight and expenses . . . . .	421
14.15	Liability for cargo damage against persons other than the contracting carrier, including vessel personnel . . . . .	422
14.15.1	An overview . . . . .	422
14.15.2	Cargo claims against crew, stevedores etc. . . . .	423
14.16	Contractual and actual carrier – Use of third party tonnage. Combined carriage . . . . .	424
14.16.1	Introduction . . . . .	424
14.16.2	Entitlement to use a sub-carrier . . . . .	425
14.16.3	Consequences of authorised use of a sub-carrier – Subject to mandatory rules? . . . . .	427

14.16.4	Obligations of the contractual carrier when a sub-carrier is used . . .	427
14.16.5	The obligations and liability of the actual carrier (sub-carrier) . . . . .	430
14.16.6	Joint and several liability of the contractual carrier and sub-carrier – MC § 287 (13:37) . . . . .	431
14.16.7	Several carriers – An example . . . . .	432
14.17	Combined or multimodal transports – The Geneva Convention of 1980 . . . . .	433
14.18	The Rotterdam Rules 2009 . . . . .	436
14.18.1	Introduction . . . . .	436
14.18.2	The maritime carriage . . . . .	436
14.18.3	The documentation of the carriage . . . . .	437
14.18.4	The area of application and mandatory aspect of the rules . . . . .	438
14.18.5	The sea carrier’s relationship to other transport modes . . . . .	438
15	VOYAGE CHARTERING . . . . .	441
15.1	Introduction . . . . .	442
15.1.1	Definition and legal sources . . . . .	442
15.1.2	Standard contracts and fixture procedure . . . . .	443
15.2	The ship . . . . .	446
15.2.1	Description of the ship to be chartered . . . . .	446
15.2.2	Named or unnamed ship. Carrier’s identity . . . . .	446
15.2.3	The ship’s cargo capacity . . . . .	448
15.2.4	Loading/discharging equipment etc. . . . .	450
15.2.5	Seaworthiness . . . . .	450
15.2.6	“Vetting” and “eligibility” . . . . .	453
15.2.7	Some additional remarks on part chartering . . . . .	453
15.3	Time allowed for performance of the voyage. Performance of the voyage. Deviation . . . . .	454
15.3.1	The time factor . . . . .	454
15.3.2	When should loading commence? . . . . .	454
15.3.3	Performance of the voyage. Deviation . . . . .	459
15.4	Ports of loading/discharging and places of loading/discharging . . . . .	462
15.4.1	Distinction between port of loading and place of loading . . . . .	462
15.4.2	Safe port/berth. Damage to the ship . . . . .	463
15.4.3	“Near” clauses and some related charter clauses . . . . .	465
15.5	The cargo . . . . .	466
15.6	The loading and discharging process . . . . .	468
15.6.1	The loading process and associated expenses . . . . .	469
15.6.2	Loading time: laytime, demurrage . . . . .	470
15.7	Freight and allocation of expenses . . . . .	479
15.7.1	Calculation of freight . . . . .	479
